

Jungle Jumper Standard Warranty

Jungle Jumper offers a 1 year warranty on the hardware and steel of the Jungle Jumper. The inner tube has a 30 day warranty. Tube Covers have a 1 year warranty. If there are any problems with your Tube Cover, we require the order number and pictures to be sent to us before a replacement can be issued. If there is any problems with the Tube, we require pictures of the damage as well as the 11 digit serial number (located by the valve of the tube) be sent to us.

This product is made to last years and years using high quality steel and powder coating paint to prevent rust and fading. With all warranty claims, freight charges are not covered and will be additional. Please contact us at Sales@junglejumper.com for warranty claims.
