

### How's it work?

Every month, we'll send an exclusive design from one of Shirt Woot's most beloved artists. When we say "exclusive," we mean "exclusive" (that's why we used that adjective, frankly). These are designs you won't find in our catalog, and they've never been offered on the site before. You'll also get some other exclusive goodies from the same artist (stickers, journals, discounts and such).

**To update anything about the membership**, contact us through the support page or email [support@woot.com](mailto:support@woot.com). Please include your Order Confirmation Number when making any adjustments to your subscription. We need to hear about changes before the 1st of the month to change that month's order, otherwise it will be reflected the following month.
