Engine Displacement (cc)	26CC		
Engine Type	2-Cycle	Shaft shape	Straight
Fuel Tank Capacity (oz.)	26	Shaft type	Straight
Fuel Type	Gasoline	Shoulder harness/strap	Yes
Head Type	Wind with Assembly	Start Type	Manual
Line Advance System	Bump	Trimmer Line Type	String
Metal blade conversion kit	Yes	Trimmer Type	Professional Gas String

This 26cc Straight Shaft Trimmer and Brush Cutter Combo gives you two tools in one. Using the included string trimmer head, you can easily edge or trim your lawn and garden for professional results. You can also change out the string trimmer head and effortlessly replace it with the heavy-duty 10 in. brush cutter blade to cut heavier weeds, brush and similar vegetation with a thickness of up to 3/4 in. This trimmer and cutter combo features an EZ start recoil starting system and powerful, 2-stroke engine designed to perform even under extreme conditions. A balanced aluminum anti-vibration handle provides maximum control and minimum fatigue along with the provided shoulder strap.

- 2-in-1 combo includes 2-stroke gasoline brush cutter and string trimmer
- Anti-vibe handle increases stability and comfort
- Powerful 2-stroke, 26cc engine
- Heavy-duty, 3-prong brush cutter blade is engineered for demanding brush removal jobs; cuts plants and vegetation up to 3/4 in. thickness
- Ultra-lightweight dual spool trimmer head delivers professional results
- Uses gas/oil mix (40:1 fuel to oil ratio)
