So, what is Functional Sofa In A Box?

You've heard of a mattress in a box and a stationary sofa in a box, but what about a 3 function sleeper sofa with a built-in storage unit in a box? Bellona's Functional Sofa In A Box was created with every unique lifestyle in mind. It's an innovative product for those who demand Fashion + Function as well as easy delivery and effortless set-up!

It's time to say goodbye to complicated shipping, impossible to maneuver oversized frames, trouble fitting your sofa through stairways or doorways, and complex time-consuming assembly. This compact and virtually effortless to assemble sleeper and storage sofa comes in the perfect size for your house, apartment, cabin, guest house, RV, houseboat, dormitory or any other space you can think of to nestle it into.

Why does our Functional Sofa In A Box make perfect sense?

Functional Sofa In A Box makes your entire furniture buying experience as simple as possible, from ordering to shipping to enjoying in your home for years to come. This three-seater is packaged in a 42 1/2" by 37" by 20 1/2" box that makes the experience of receiving your sofa straightforward and painless. Once Functional Sofa In A Box comes out of its package it assembles with ease in under 5 minutes. Every piece is right there in the box – the frame, arms, legs, cushions, and pillows. No unnecessarily complicated instructions or running to the store for a missing piece.

Is coming in a box the main advantage of this sofa?

Far from it! It's not just convenience that makes Functional Sofa In A Box so enticing - it's quality, function, and style too.

Functional Sofa In A Box is comprised of 3 functions in one box: Sit + Store + Sleep. Your box full of Fashion + Function will unveil a three-seat sofa with spacious built-in storage and a foam sleeper mattress. Complete with our easy-glide mechanism, it makes converting between seating, storage, and a sleeper just as effortless as the rest of the process.

Functional Sofa In A Box is complete with firm cushions that offer support and cushy comfort for endless relaxation. It comes in your choice of six stunning performance fabrics – beige, taupe, brown, light grey, charcoal, or indigo blue.

Convenience, quality, function, and style are no longer mutually exclusive. With Functional Sofa In A Box, we've combined all of these qualities to offer you the very best of everything in one ground-breaking product. Now you can enjoy all the performance and style of Sit + Store + Sleep anywhere.
