Protection in
100% Cotton

NAS Manufacturing has been a leading company in the home textile industry since 1988. We provide an extensive line of textile products such as comforters, allergy bedding, duvet covers, pillows and more. Our brands can be seen in most major retailers such as Bed Bath and Beyond, Kohls, Dillards, Amazon and more.

The **AllerSoft™** brand of products are some of the most respected in the industry and have been developed using extensive testing. AllerSoft brand products are all produced in our manufacturing facility located just outside Atlanta, Georgia. We are so confident in our AllerSoft quality that we offer a lifetime warranty on all workmanship related issues.

If you are not completely satisfied with the product, need a replacement or just have a product related question please contact us at

amazon@allergypreventionteam.com

and we will be happy to assist immediately. We build trust with our customers by providing the service one would expect so we ask you to complete a review on Amazon once you have time to evaluate your experience with us. We know you will be happy with the product and if not we will make it right.

AllerSoft Cotton™ Warranty

1. Warning: Please follow the care instructions sewn into every product or the warranty will be void
2. A receipt or proof of purchase must be supplied for any claims. Email confirmation from amazon is acceptable.
3. Warranty does not cover excessive tears or rips due to misuse of the product and it meant for normal wear and tear related claims.
4. Many amazon sellers sell “like new” products which are not covered under the warranty.
