**Lighting Facts** Per Bulb

**Brightness** 800 lumens

**Estimated Yearly Energy Cost** \$0.99  
Based on 3 hrs/day. 11¢/kWh  
Cost depends on rates and use

**Life**  
Based on 3 hrs/day 16.4 years

**Light Appearance**  
Warm 
Warm
Cool
  
3000 K

**Energy Used** 8.2 watts

**Visual Color Temp.**

**Feature**

- No UV or IR light radiation
- 5 years warranty in commercial and residential use
- Current controlled LED integrated driver inside
- Operation temperature: -4°F~113°F
- Damp rated
- Mercury and lead free construction
- Illumination uniformity
- Beam angle 240°

**Applications**

- General Lighting
- Ambience Lighting
- Contour Lighting
- Mood Lighting

**Usages**

- Enclosed Outdoor
- Work Area
- Table Lamp
- Open Indoor
- Floor Lamp
- Fan
