Limited Lifetime Household Warranty

Berndes U.S.A. (Range Kleen Mfg., Inc., exclusive North American distributor) warrants cookware to be free from defects in workmanship and materials under normal household use to the original purchaser. Ceramic and Nonstick coating is guaranteed not to peel off under normal household use. Marring of ceramic and nonstick is normal and does not affect the nonstick properties or cookware. To maintain your cookware, we recommend you follow the Use and Care instructions carefully.

During this period, Range Kleen Mfg., Inc will repair or replace, at its option, any defective item returned to Range Kleen with original purchase receipt. If the item is out of production, an item of similar value and function will be substituted. Commercial use of this product voids this warranty. Incidental or consequential damages are not covered by this warranty. This warranty is non-transferable.

This warranty will not cover damage caused by misuse of the product in direct opposition to the supplied use and care. All discoloration, scratches and stains, or other signs of misuse or abuse of the cookware that do not affect the function of your cookware, is not covered under this warranty.

This warranty gives you specific legal rights. You may also have other rights which vary from state to state.
