

WHY BUY SUPEREYE

About Supereye Metal Detector

Comparisons between SuperEye S500/S1000/S1500/S2500 and Garrett/ Bounty Hunter

- 1) **S500 has the head indicator. Garrett has no such kind of metal detectors. Bounty Hunter with head indicator is far more expensive than S500 while S500 has better performance and more features.**
- 2) **S1000 has similar performance as Bounty Hunter1100 although the style looks a little different. S1000 with added pinpoint function and higher rate of performance/price is much better.**
- 3) **S1500, which has similar performance as Garrett150, but better with the following added features:**
 - PINPOINT added
 - Target category totaling 6 with one more added
 - Sensitivity adjustment totaling 5 with one more added
 - Detection way totaling 4 with one more listed as MEMORY added
- 4) **S2500, which has similar performance as GARRETT250, but better with the following added features:**
 - Sound category totaling 4 with one more added
 - Ground adjustable balance added & Backlight added
- 5) **S1500 & S2500 have better performance than Bounty Hunter 1100 & 2200 in the following functions: Detecting sensitivity (depth); metal targets categories; working modes and pinpoint function. In addition, it is more convenient to use S1500& S2500 with one button design.**

Warranty Policy

1. SATISFACTION GUARANTEE TO ALL CUSTOMERS: 30-DAY MONEY BACK POLICY: Customers should contact Supereye if they are not satisfied with a product for any reason within 30 days of the invoice date. A 30-day Money Back is guaranteed (Shipping & Handling and other additional charges, such as the transaction fee 6% of the total amount charged by bank or Credit Card Company, are not refundable). However, Returned product must be in original packaging, unused, undamaged, and in saleable condition. Proof of purchase is required in all cases. The 30-Day Money Back Policy does not apply the custom product.

2. LIMITED WARRANTY: All products sold are warranted by Supereye only to customers for: (i) resale; or (ii) use in business, government or original equipment manufacturer. Supereye warrants products against defects in materials and workmanship under normal use for a period of **TWO (2)** year the date of purchase from Supereye, unless otherwise stated. Should the customer have any problem about the Supereye product, the customer should contact the dealer or Supereye immediately. Supereye will not cover the defective items in warranty term after the product has been repaired by a third party even if it is within 1 year since the purchased date.

During the limited warranty period, Supereye may, at its option: (i) repair; (ii) replace; or (iii) refund the amount paid by customer. Customer must return the product to the appropriate Supereye branch or authorized service location, as designated by Supereye and pay for the shipping cost. Supereye will cover the shipping cost for the return of the product to customers in 46 states of US and in Canada within the warranty term. For a RMA item from other offshore regions (Hawaii, Alaska, Puerto Rico, and the U.S. Virgin Islands) and countries outside of US and Canada, the customer has to pay all the shipping including the return shipping from Supereye and tax, if any, even for an item within the warranty term. In the event that there are import charges and brokerage charges in processing repair or replacement of warranted items, the incurred import charges and brokerage charges will be undertaken by the importer regardless of either party.

3. Warranty Return: Before retuning any product, customer shall: (i) write or call the local Supereye branch from which the product was purchased; (ii) fill in the Supereye RMA form and provide the date, the original invoice number, the stock number, and the description of the defect (iii) or report to the dealers and ask them to contact us. Proof of purchase is required in all cases.
